

AFSC – Synchronized event – Information

Registration

Registration will take place on Friday 29th November. The Registration Desk will be in the Foyer of the Rink.

Lanyards

Those teams doing unofficial practices will most likely be issued their lanyards to enable the teams to have access. Teams will still have to register on Friday.

Team Gifts

There will be labelled bags in the area to your right as after you pass the entry gates (behind the Registration Desk).

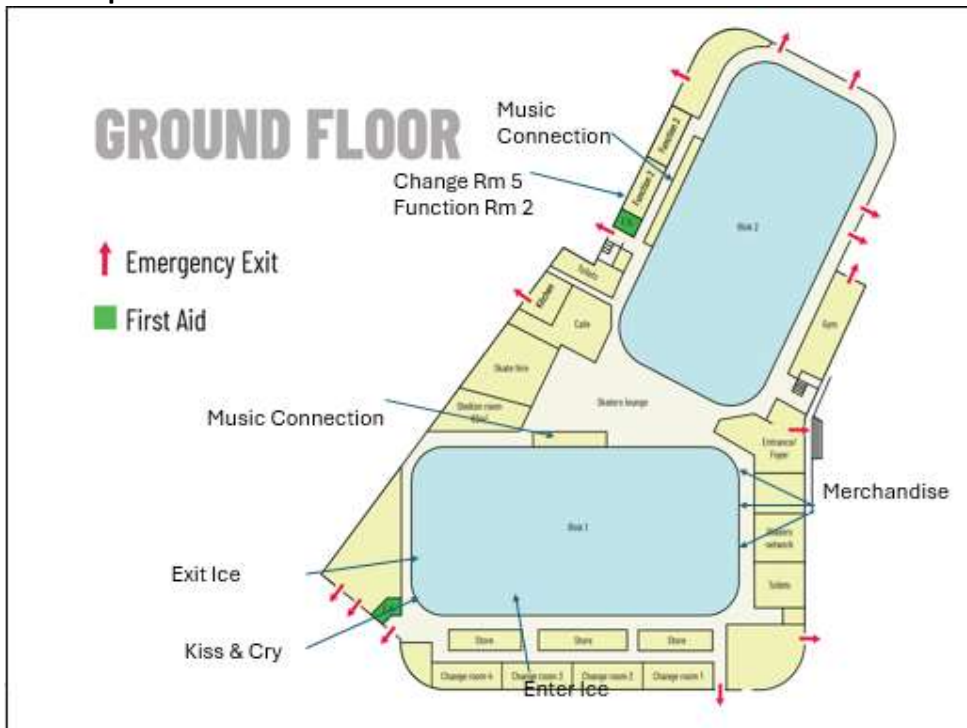

Team Banners

These may be hung on the back wall of the rink above the seating. They must be attached to the wall using removable hooks – like the 3M Command removable hooks. (they will be available from Woolworths and there is a store in the shopping precinct across the road from the rink). They must be removed on Sunday after the competition.

Music Connection

Music Connection on both rinks is a headphone jack. If you have an android phone – a connector is needed.

Warm up areas for teams

We have permission from Docklands Precinct to use the following areas:

Across the road from the rink on left side – there is room for 2 teams to warm up.

Walking directly into the precinct (past the white pot turn right into the building) towards the wheel, we have permission to use the area around the wheel.

The Precinct Security has been notified that the teams will be there. Most areas have some cover in case of rain. Please make sure there is area for visitors to move past the teams.

Wharf Street

Banquets

The lanyard is your admission to the Synchronized Skating Banquet. Make sure you bring it with you. There will be a separate list for those that have purchased entry to the Synchronized banquet at Marvel Stadium. Please see the map on website for more information about Marvel Stadium and how to get there. It is recommended that people enter from the stair access from Harbour Esplanade. There are free trams running from Pearl River Road to Marvel Stadium.

Sport Integrity Australia

Sport Integrity Australia will be attending AFSC with an Outreach Desk in the merchandise area. Please ask them any questions you may have about the SIA programs. They will be here for you, to assist you, and answer your questions.
